6th January 2017

Dear Parents,

Happy New Year. I hope the start of the New Year finds you all in good health.

We say a welcome back to Vicki Cox who returns from her sabbatical as a teaching assistant.

The staff have been very busy planning exciting learning experiences for the children including a number of visits, details of which will follow shortly. The school governors continue to heavily subsidise all trips but your contributions are vital if we are to continue with the range of exciting experiences the children get. With this in mind we are currently exploring the possibilities of running a savings club. This would not only help you as parents but would also teach the children about saving and money management. We will shortly be sending out a letter to determine the level of interest.

Children's University

The children are busy collecting stamps in their passport and are enthusiastic about reaching the first goal of 30 stamps when they will be eligible for the in-school graduation. If you have taken children out over the Christmas break to places such as Chatham Historic Dockyard, Rochester Castle, the Guild Hall Museum or Diggerland, the children can then collect stamps. If your child attends local sports clubs such the boxing and judo please ask them if they can also give the children a stamp in their passports.

Website

Thank you for your feedback on the website. Your comments were taken on board as the new website was designed so please take a look and let us know what you think. The website address remains the same. www.lutonjuniorschool.co.uk
